What's in a Name?

GOMO Travel's name stems from the popular acronym "FOMO," or "fear of missing out." FOMO is defined as a social anxiety stemming from the belief that others might be having fun while the person experiencing the anxiety is not present. FOMO is characterized by a desire to stay continually connected with what others are doing.

The name "GOMO" can be used as a verb, as in Uber; it is also short for "go more."
